A technical drawing of a mechanical part, likely a cross-section of a shaft or a similar component. The drawing is divided into two main sections, labeled 6 and 7. Section 6 is on the left and contains several vertical lines, some solid and some dashed, representing different materials or features. Section 7 is on the right and contains a series of parallel lines, also some solid and some dashed, representing a different material or feature. The drawing is oriented horizontally with the top of the part at the top of the image.
